

Photo Edition, 2002

From Heritage Week in February to our Strawberry Social in June, the first half of the year has been filled with activities at The Old Britannia Schoolhouse.

The hosting of the 2002 SLATE Conference, our 150th birthday and the celebration of the life of James Potter kept the Friends of the Schoolhouse quite busy.

Here, Queen Victoria declares the SLATE Conference open, and guests toast the memory of James Potter.

This newsletter is published by the Friends of the Schoolhouse every Fall, Winter and Spring, in an effort to inform its membership, and the teachers of the Peel District School Board of its activities and events.

Arbor Day tree planting and the re-surfacing of the driveway were other significant events in the spring.

Friends remembered James Potter at a special schoolhouse function, while at the conclusion of the SLATE Conference lucky draws were held

A piano duet for James Potter.

Student volunteers were an invaluable help at the 150th celebration, after which Queen Victoria took time to rest on a swing.

Watch for our regular newsletter later in the fall. It will bring you more detailed information of our completed and planned activities
